### SPEED TRAPS FOR SERVICE ST?

Police have received many complaints about speeding motorists on Service street and may be considering setting up speed traps—according to a regular at the Rail Trail café.

### MODERN TECHNOLOGY

Fellow Porepunkans were surprised to see Jesse (Rail Trail Café) walking purposefully around town last week, holding an open laptop under his arm. On closer inspection they were introduced to Jesse's "mom", Darlene, who was enjoying a virtual tour of our beautiful town via webcam! Ain't technology grand!!

### LARGE PUSSY CAT OR IS IT A PANTHER???

Over the weekend of 28th Feb to 1st March, a group of 4 tourists reported spotting a very large black cat at Mt. Buffalo National Park. They told Jesse of Rail Trail Café that it looked like a puma with a long, thick, black tail that curled up behind it!!!

The next CBI meeting is Thursday 2nd April at 7.30pm at the Porepunkah Hall. Please come along.
